Income information:

You and your spouse must each file a Canadian income tax and benefit return for the period after you became residents of Canada. If you or your spouse became or returned as a resident of Canada in the last 2 years, please provide the following information for the period prior to entering Canada.

Enter all income in Canadian dollars from all sources inside and outside Canada. Do not include income that you or your spouse have reported on a Canadian income tax and benefit return. Enter "0" if you had no income.

STEP 1: Year you became resident of Canada

Enter the year you became a resident of Canada. Enter your income from January 1 of that year to the date you became a resident. If you had a spouse, enter his or her income from January 1 of that year to the date he or she became a resident.

Year: _____ Your income: \$ _____ Your spouse: \$ _____

STEP 2: One year before you became resident of Canada

Enter one year before the year that you indicated in Step 1, and enter your income and that of your spouse for that year.

Year: _____ Your income: \$ _____ Your spouse: \$ _____

STEP 3: Two years before you became resident of Canada

Complete this step only if you became a resident of Canada before June of the year you entered in Step 1.

Year: _____ Your income: \$ _____ Your spouse: \$ _____
